

GROW[®] ACCESS PROJECT

Because every patient matters

The Grow Access Project will offer a reduced cost on **GROW** branded flowers.

(Subject to eligibility)

In addition, Integro Medical Cannabis Clinics, in collaboration with Grow Pharma are offering the first 500 patients an initial consultation free of charge as well as lowering the cost of consultations for GAP patients.

Eligibility criteria

The Grow Access Project aims to reduce cost-related barriers to access to prescribed cannabis medicines for patients on low-income and veterans of UK armed forces. Patients will need to complete the online registration questionnaires and will be required to prove their universal credit status or their registration as a veteran of the UK armed forces when they register at the clinic.

Patients won't have to provide any data, other than proof of their eligibility, to access the reduced prices. The same price reductions are available to all eligible patients at Integro Medical Clinics, irrespective of whether they are new to cannabis medicines, moving over from another clinic or already with Integro.

Patients already at Integro (or who have been at Integro within the last 3 months) will not be eligible for the free initial consultation and will need to prove their eligibility with the clinic before their next consultation.

The Grow Access Project is available to patients based in the UK mainland only.

To apply and find out more about Integro Clinic's services please visit www.integroclinics.com

Reduced medication costs

The new GROW range is being launched at £6.50/g for flowers under 18% THC, £7.50/g for 18 to 22% THC and £8.50/g for any higher THC content flowers.

Patients eligible for the Grow Access Project will be able to access the full range for £6.50/g. At present there are five flower medicines consisting of four cultivars "strains" with more to be added in the near future.

Other brands of cannabis medications can be prescribed through the scheme but will be subject to the standard RRP to patients.

All GAP patients will benefit from reduced follow up and repeat prescription fees at Integro Medical Clinics.

Integro Clinics Fee Structure

Integro Consultation Fee Structure	Initial Consultation (Month 01)	Follow Up Consultation (Month 02)	Following Months
GROW Access Project Costs	FREE for first 500 patients.	£49	Prescriptions Reissue – £10 or Nurse Consultation (optional) – £40
	£49
